BACTERIOSTATIC

**A Professional Strength, Bacteriostatic Liquid Hand Soap
Which Cleans, Conditions and Protects Your Hands.**

Actually reduces the bacterial count on your hands leaving them soft and protected. Excellent for schools, dentists, surgeons, hospitals, veterinarians, barber and beauty shop personnel, food handlers and industrial workers.

DIRECTIONS

- Apply a small amount to palm of wet hands.
- Gently rub hands together to produce a rich, mild lather.
- Rinse hands well and towel dry.

TO MAINTAIN A LOW BACTERIA COUNT ON THE SKIN, WASH HANDS AT FREQUENT INTERVALS, KEEPING THE SOAP IN CONTACT WITH THE SKIN FOR 3-5 MINUTES WITH EACH WASHING. REPEATED USE INCREASES THE DE-GERMING ACTIVITY.

ACTIVE INGREDIENT: TRICLOSAN

OTHER INGREDIENTS: WATER, DIETHANOLAMIDE, DODECYLBENZENE SULFONIC ACID, TRIETHANOLAMINE, SODIUM TRIPOLYPHOSPHATE, ACRYLIC EMULSION, TETRASODIUM EDTA, FRAGRANCE, SODIUM NITRITE, D & C RED#33
