1 GALLON

COMBUSTIBLE

DO NOT TAKE INTERNALLY.
AVOID CONTACT WITH EYES.
IMMEDIATELY FLUSH EYES WITH WATER
FOR 15 MINUTES. IF SWALLOWED,
CONSULT A PHYSICIAN IMMEDIATELY.

A 100% organic formulated product which represents a new approach in degreasing and deodorizing. This product is environmentally safe, it contains no xylene, toluene, benzene, perchloroethylene, 1,1,1-trichloroethane nor any methylene chloride. This natural citrus solvent is non-flammable, non-conductive, non-corrosive and biodegradable.

This product is excellent for any application that requires cleaning, degreasing and deodorizing, such as:

- Spray or dip cleaning of tools, parts, machinery, equipment, motors.
- Removal of cosmoline, adhesives, undercoating, rubber tire marks.
- Removal of grease and soap scum from floors and walls, grease traps, drains and sewer lines.
- Odor control in areas such as garbage containers and lift stations.

DIRECTIONS

To clean and degrease surfaces, dilute 4 oz. into 1 gallon of warm water. Apply solution generously to surface to be cleaned. Allow solution to penetrate dirt for 5 minutes. Rinse thoroughly.

To degrease engines and motors, brush or spray concentrate on surface. Allow 3-5 minutes to penetrate. Rinse with hot water.

WARNING: This product is a concentrated degreasing formula that may be harmful to plastics or painted surfaces. Test surface in an inconspicuous area before using.

Because this product is a powerful grease solvent, it will defat skin. Rubber gloves are recommended. Keep container closed when not in use.

INGREDIENTS: Di-Limonene CAS #5989-27-5, Glycol Ether CAS #112-34-5, Dodecylbenzenesulfonic Acid CAS# 27176-87-0, Water CAS #7732-18-5, Potassium Pyrophosphate CAS# 7320-34-5
