1 GALLON

DET

An all-purpose cleaner which is excellent for use on all surfaces not harmed by water. Its controlled sudsing action quickly removes dirt, grease, and grime leaving the surface film free.

A viscous, highly concentrated product that is excellent for use in automatic scrubbing machines. It is instantly soluble in hot or cold water, non-flammable, non-toxic, and biodegradable. Its superior penetration and retention allows it to be used at very low cost per gallon dilutions.

Excellent for use on floors, walls, terrazzo, concrete, painted surfaces, vinyl, aluminum, chrome, in offices, industrial plants, schools, laundries, hotels, restaurants, etc... Excellent for use on all fiberglass surfaces.

DIRECTIONS

DILUTE:

LIGHT SOIL- 1 part cleaner with 30-40 parts water.

MEDIUM SOIL- 1 part cleaner with 20-30 parts water.

HEAVY SOIL- 1 part cleaner with 10-20 parts water.
