AND UPHOLSTERY

CAUTION
KEEP OUT OF REACH OF CHILDREN

1 QUART

DESCRIPTION:

This new and different stain, spot and odor remover is non-flammable, pleasant smelling, free from chlorinated solvents, easy to use yet quick and efficient. It removes difficult spot and stains.

This product works very well when used as directed on old or new spots, oil, fats, creams, makeup, lipstick, face cream, chocolate, marmalade, liquor, coffee, grass, water, animal fats, stamp pad inks, typewriter ribbon smears, ball point ink spots, crayola, shoe polish and floor wax.

DIRECTIONS:

For grease oil or creams, always scrape off deposits. Water stains, water rings, beverages, liquor, juices, coffee, etc. apply the spotter cold and work in lightly with a soft brush or sponge. **DO NOT SCRUB.** Then towel off.

For pet stains, scoop up urine and fecal matter and apply the spotter as above. Repeat if necessary. Pet stains can usually be removed easily in cotton and synthetic carpets if attention is given within 6 months after the spot has occurred.

NOTE: Wool carpets must have attention before carpet turns yellow. Hair oil, vaseline and other grease spots on sofas are removed by applying spotter cold. Apply freely and towel off.

FIRST AID:

EYES: Flush with large amounts of water for at least 15 minutes.

Consult a physician.

IF SWALLOWED: Induce vomiting. Drink large amounts of water or milk.

Consult a physician.

CAUTION:

KEEP OUT OF REACH OF CHILDREN. Do not take internally. Do not get in eyes.

Rinse empty container with water before discarding.

For use and storage by trained service persons only.
