

Gym-Tack

WARNING

Harmful if inhaled or absorbed through the skin. Skin and eye irritant.

See precautions and first aid statement on side panel.

KEEP OUT OF REACH OF CHILDREN.

FOR INSTITUTIONAL AND COMMERCIAL USE.

1 U.S. GALLON

This floor product may be *sprayed*, used with a *hand held mop*, or a *machine*.

WHERE TO USE PRODUCT:

For a routine maintenance cleaner or periodic heavy-duty cleaner for water-based floor coatings.

DIRECTIONS FOR USE: *(Please read entire label before using)*

ROUTINE MAINTENANCE:

Dust mop floors daily using a water-based dust mop treatment (following instructions on product label). At least once a week, dilute 32 U.S. oz./U.S. gal., 250 mL/L (1:4) of water. Moisten a clean, cotton towel with the solution and tack the floor. Use both sides of the towel always keeping a clean edge.

PERIODIC HEAVY-DUTY MAINTENANCE:

To clean heavy soil buildup, mix 64 U.S. oz./U.S. gal., 500 mL/L (1:2) of water and tack floor using a moistened, clean, cotton towel. For spot cleaning use 1:2 solution in a spray bottle, spray it on and wipe dry. For deep cleaning with a 175 RPM rotary buffer (use white pad) or autoscrubber (use white pad) mix 16 U.S. oz./U.S. gal., 125 mL/L (1:8) with water.

SAFETY:

WARNING: Contains Isopropyl Alcohol and 2-Butoxyethanol. Avoid contact with skin and eyes. Wear suitable eye wear and gloves. Harmful if inhaled or absorbed through skin. Harmful if swallowed.

FIRST AID: If splashed on skin or in eyes, flush with large quantities of water. If inhaled, get to fresh air. If swallowed, dilute with two glasses of water and induce vomiting. Call a physician.

INGREDIENTS: Water CAS# 7732-18-5, Isopropyl Alcohol CAS# 67-63-0, 2-Butoxyethanol CAS# 111-76-0, Nonionic Surfactants CAS# 9016-45-9, CAS# 66455-15-0, Dye N/A
