*Lady Helen Creme Liquid Soap*

Our Creme Liquid Soap combines the cleansing properties of soap with a skin softening moisturizer. Lathers like a bar soap to leave the skin clean, pleasantly scented and smooth to the touch. No more clean up or waste because messy bar soap is eliminated.

INGREDIENTS: Water, Sodium C14-16 Olefin Sulfonate, Lauramide DEA, Sodium Lauryl Sulfate, Glyco Stearate, Cocamidopropyl Betaine, Sodium Chloride, Fragrance, Glycerin, Quaternium 33, Ethyl Hexanediol, Quaternium 41, Citric Acid, Methylchloroisothiazolinone and Methylisothiazolinone, Tetrasodium EDTA. 9705H03
