

# MAJIK

# MAJIK

A special product formulated from the finest raw materials, works well in hot or cold, soft or hard water. It is free rinsing in all proportions.

A biodegradable, concentrated, heavy-duty detergent that is unsurpassed in performance for hand washing of dishes, pot and kitchen ware.

Excellent for use where heavy, greasy build-ups are a problem. It is fast acting and chemically scrubs and scours to make utensils bright and easy to cook with. Long lasting suds will not break down even in the greasiest of waters.

Recommended for restaurants, bars, fountains, schools, hospitals, nursing homes, etc...

#### **Recommended Usage:**

1 oz. to 3 gallons of warm water, depending on the severity of cleaning. Good hygienic practice calls for thorough rinsing with water after the cleaning operation.

INGREDIENTS: Alkyl Benzene Sulfonic Acid CAS#68584-22-5, Sodium Hydroxide CAS#1310-73-2, Phosphate Ester CAS#52276-83-2, Alkanolamide CAS#61789-19-3, Water CAS#7732-18-5
