DIRECTIONS

CAUTION: Wear rubber gloves when using this product. Provide good ventilation. Vacate poorly ventilated areas while product is operating. Do not mix with any other products, such as ammonia, acids, rust removers, bowl or drain cleaners or vinegar -- to do so may result in the release of hazardous gases. Avoid overspray on clothing.

1. First, clean and rinse surfaces thoroughly before applying product.
2. Spray product on pre-cleaned surfaces or wipe it on with a sponge or rag. Allow product to work. To Spray: To initiate spraying, turn nozzle completely to the left. Turn nozzle to the right to produce a straight stream.
3. Rinse or wipe off.

NOTE: Not for use on furniture, upholstery or resilient flooring tiles. Do not use on cotton, wool, silk or acetate. Test all surfaces for color fastness before using. Prolonged contact with metal may cause pitting and discoloration. Do not use on stainless steel surfaces. Do not use in copper, aluminum, or iron vessels -- use only in porcelain, glass, rubber, plastic or enamel-lined vessels. Store upright in a cool place. Rinse all surfaces before painting.

USES

INDOOR USE: Removes mildew stains from grouting and tile in shower areas, locker rooms, tubs, bath mats and shower curtains.

OUTDOOR USE: Removes stains from cemetery monuments and headstones, crypts and mausoleums (marble, granite, bronze and concrete), canopies, awnings, vinyl pool umbrellas and furniture, concrete walkways, statues, brick, mortar, limestone, historic buildings, wood fencing, wood and concrete landscaping fixtures, railroad ties, picnic tables, playground equipment and gutters. Also prepares wood and concrete for painting.

FIRST AID:

EXTERNAL: If spilled on skin flush with soap and water. In case of eye contact, flush with water for 10 minutes and get prompt medical attention.

INTERNAL: If swallowed, drink large quantities of milk, egg white or gelatin solution. If not available, drink large quantities of water. Do not induce vomiting. Get prompt medical attention.

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not reuse container. Destroy when empty. Do not use on surfaces that will contact food.

INGREDIENTS: Water CAS#7732-18-5, Sodium Hypochlorite CAS#7681-52-9, Lauryl Dimethyl Amine Oxide CAS#61788-90-7, Sodium Metasilicate CAS#6834-92-0, Sodium Hydroxide CAS#1310-73-2
