

This environmentally safe, ready-to-use product contains amazingly powerful detergents, degreasing and foaming agents for multi-purpose cleaning in industrial, institutional and food service facilities.

- Clings To Vertical Surfaces
- Non-Flammable
- No Harsh Odors Or Toxic Fumes
- Biodegradable
- Safe On Any Washable Surface
- Non-Corrosive.

This foaming multi-purpose concentrated cleaner safely removes heavy grease and soil deposits. Simply spray and wipe for fast, efficient cleaning that also reduces labor expenses. Cleans without causing choking or burning effect even with minimum ventilation. Eliminates the risk of fire or explosion. Safe on walls, glass, most metals, aluminum, concrete, plastic, vinyl, washable painted surfaces, whitewall tires, vent hoods and grills, industrial equipment, etc.

Removes heavy grease and soil deposits, soot and smoke stains, most inks, carbons, dyes, etc.

**ENVIRONMENTALLY SAFE
HEAVY-DUTY
FOAMING
SPRAY 'N' WIPE
CLEANER & DEGREASER**

**KEEP OUT OF REACH OF CHILDREN
NET CONTENTS: ONE U.S. QUART**

DIRECTIONS

Simply spray foam on surface to be cleaned then wipe with an absorbent cloth, towel or sponge. When cleaning large areas, use any conventional type sprayer or pressure-foaming equipment. Allow foam to remain on soiled surfaces for a few minutes, then rinse or wipe off the suspended soil. To remove heavy soil, agitate with brush or sponge.

CAUTION: This product is alkaline. Do not get on skin or in eyes. If product contacts skin, wash affected areas thoroughly. If eyes are contacted, rinse thoroughly with clear water for 15 minutes, then contact a physician.

INGREDIENTS:

Water CAS# 7732-18-5, Glycol Ether CAS #111-90-0, Propylene Glycol Butyl Ether CAS# 57018-52-7, Sodium Lauryl Sulfate CAS# 68585-47-7, Alkanolamide CAS #61789-19-3.
