INGREDIENTS: Water CAS# 7732-18-5,
Hydrocarbon Solvent CAS# 64742-88-7,
Pumice CAS# 1332-09-8, d-Limonene CAS# 5989-27-5,
Glycerine CAS# 56-81-5

Product Reorder # L060
NET CONTENTS: 8 OUNCES

A powerful, natural liquid hand cleaner with volcanic pumice that instantly dissolves the toughest of grease, soils and dirt in roughened hands, knuckles and fingernail areas. This mildly abrasive, skin-softening hand cleaner can be used with or without water. Can thoroughly clean hands and arms of imbedded dirt, inks, tar, grease, gasket cement, carbon black, paints, varnish, rubber cement and more.

DIRECTIONS

- Apply cleaner to wet or dry hands
- Work into hands and cover fingernail areas until soils liquefy
- Rinse away soils with water

May also be used as a waterless cleaner and wiped off with a clean towel.

CAUTION: Avoid contact with eyes. Do not swallow. Use with adequate air. Wash or towel dry hands after use. Do not contaminate water, food, or feed by use or storage. Keep container tightly sealed when not in use. Protect from freezing.

FIRST AID: EYES - Flush with plenty of water for at least 15 minutes, lifting eyelids to insure complete removal of product from eye. See a physician immediately. INGESTION - Do not induce vomiting. If conscious, drink plenty of water and then contact a physician or poison control center. INHALATION - Get to fresh air. If breathing has stopped, qualified personnel should administer artificial respiration. SKIN - Wipe off with a rag or cloth, may wash off with water.
