SOLVENT SPOTTER

An excellent, non-flammable, solvent-based spotter for use on all grease, tar and oil stains. Quickly lifts and dissolves stains without damaging carpet fibers, carpet backing and upholstery.

If cause of spot is unknown, use this product first. If spot remains then apply all-purpose spotter.

DIRECTIONS

Scrape off any deposit. Apply spotter directly to soiled area. Rub with clean towel. Repeat if necessary.

Use in well ventilated area. Avoid prolonged breathing of vapor or long contact with skin.
