

SHOWER Off

TILE AND GROUT CLEANER

CAUTION

MAY CAUSE SKIN OR EYE IRRITATION.
HARMFUL IF SWALLOWED.
IMMEDIATELY FLUSH WITH WATER.

SHOWER OFF

A carefully formulated product of selected chemicals for safe and efficient cleaning of tile and grout. It eliminates dirt, grease, grime, soap scum, hard water stains and discolorations. Restores badly soiled tile and grout to its original beauty.

Excellent for use on glass, metal, all types of aluminum, stainless steel, chrome plating, formica, marble, ceramic and glazed tile, safe for use on all fiberglass surfaces.

Surface gleams without streaks, powdery residue or hazy after-film.

DIRECTIONS

Do not dilute.... Simply spray over the surface to be cleaned. Wipe with a clean absorbant cloth, towel or sponge. Material may be applied with any type sprayer. Allow to remain on soiled surfaces for a few minutes, then pick up soil with damp mop or sponge. For heavy soil, agitate surface and then rinse clean.

ACTIVE INGREDIENTS: Phosporic Acid CAS #7664-38-2, Chelating Agent CAS #64-02-8, Non-Ionic Surfactant CAS #90164-59, Sodium Polyphosphate CAS #68915-31-1
