

**1 GALLON**

**SOFT  
SOUR**

• ***A Balanced*** •  
***Fabric Softener & Sour***

CAUTION:  
KEEP OUT OF REACH OF CHILDREN

### **SOFT SOUR**

A unique combination of souring and softening agents. Souring is instantaneous and safe. Soft Sour has special quaternary softening agents that impart maximum softening to treated fabrics while leaving a fresh clean scent.

### **DIRECTIONS**

Add to final rinse of the machine. Add 2 ounces to every 50 pounds of garments. Product can be used in automatic injector systems or added to wheel.

INGREDIENTS: Phosphoric Acid CAS #7664-38-2, Quaternium 27 CAS # N/A.
