

1 GALLON

A ready to use floor rejuvenator for high speed buffing that brings your floor to a deep and durable ultra-high gloss. Prevents dirt retention which eliminates tracking of soil into other areas. Thus, reducing time and labor costs. It blends perfectly over all finishes, eliminating swirl marks and prevents powdering.

A highly recommended product for use in airports, supermarkets, public buildings, offices, hospitals, schools, apartments, restaurants, malls and retail stores. Excellent for use on all types of flooring such as vinyl, vinyl asbestos, asphalt tile, linoleum, terrazzo, ceramic tile, etc...

**DIRECTIONS**

- Dust mop area to remove surface grit.
- Lightly spray product on floor surface.
- Buff to full brilliance.

**DO NOT ALLOW PRODUCT TO FREEZE**
