NET CONTENTS:

POWDERED BLEACH is a concentrated organic chlorine laundry bleach. It is stable and fast acting to quickly and economically remove stains and whiten laundry.

POWDERED BLEACH is well buffered to avoid pinpoint burning of fabric and loss of tensile strength. Never use a chlorine bleach on colored fabric, wool or silk.

POWDERED BLEACH is designed to do a safe, effective bleaching job on sheets, linens, diapers and other institutional laundry. Quick solubility and stable, long lasting effectiveness makes

POWDERED BLEACH an ideal product for laundry use. It's a vital part of an effective institutional laundry formula.

POWDERED BLEACH will work well in high or low temperatures.

POWDERED BLEACH is 100% biodegradable.

DIRECTIONS
