

# stainless steel cleaner

ONEQUART

- **ECONOMICAL AND EASY TO USE!**
- **Cleans, Polishes and Protects in one simple operation.**
- **Removes grease, watermarks, fingermarks and covers scratches.**

**CAUTION**

**KEEP OUT OF REACH OF CHILDREN**

This product contains petroleum distillates.  
Harmful if swallowed. If swallowed do not induce vomiting.  
Contact a physician immediately.

This product is formulated to add new life to stainless steel surfaces by removing grease, film, water and fingermarks, and leaves a hard protective coating that serves to preserve the metal surfaces. The coating actually repels water and prevents penetration of harmful liquids, while retaining its gloss.

### **DIRECTIONS FOR USE**

For best results apply Cleaner to metal surface with a clean cloth.

Wipe liquid into the metal surface to be cleaned.

Pick up any excess liquid with a dry portion of the cloth.

Use sparingly, just a small volume of cleaner will treat a wide area of metal surface.

- Do not use a heavy duty cleaner to remove baked on grease deposits or stains which require an abrasive cleaner.
- Do not use near food or cooking utensils.

INGREDIENTS: HYDROCARBON SOLVENT CAS# 8052-41-3, XYLENE CAS# 1330-20-7, HEAVY PARAFFINIC PETROLEUM DISTILLATES CAS# 64742-65-0
