

**PREMIUM EXTRA HEAVY DUTY
LAUNDRY DETERGENT
& LAUNDRY BREAK COMBO**

DANGER: May be harmful or fatal if swallowed.
Eye and skin irritant. Keep out of reach of children.

A concentrated, biodegradable, controlled suds, very high strength laundry detergent designed for automatic dispensing systems. This formula will provide excellent soil break up, color retention, soil suspension, anti-redeposition and optical brighteners which are effective on cotton and synthetic fabrics. This is an excellent "one shot" detergent, ideal for use in two product or three product laundry systems. Safe on most laundry washable fabrics when used as directed.

DIRECTIONS

The amount of this product required will vary depending on the size of the laundry load in the machine, the soil condition on the fabric, water conditions and other factors to be analyzed by your Service Representative. In general, only 1-4 ounces of product per 50 pound load of laundry is needed for normal soils. When laundering delicate fabrics (wool, silk, etc. -- follow manufacturer's directions and fabric label instruction.)

IMPORTANT:

This is a very powerful product. Wearing goggles, gloves and a rubber apron is recommended for personal protection.

DANGER:

Ingredients include Inorganic alkali, Non-ionic surfactants, water conditioning, soil suspension and optical brightening ingredients. Can cause eye and skin irritation. Harmful if swallowed. Can cause damage to mucous membranes. Can cause permanent damage to eyes. Wear eye and skin protection when using this product. Avoid breathing mist or spray.

FIRST AID: EYE CONTACT - Immediately flush with plenty of water for 15 minutes and get medical attention. SKIN CONTACT - Flush affected areas with plenty of water; if irritation persists, see a doctor. INGESTION - Rinse mouth immediately, but DO NOT induce vomiting. Drink several glasses of water or milk and get medical attention.
