

This product is a dynamic detergent breakthrough that will outperform every all-purpose cleaner on the market today. It cleans everything cleaner, faster, easier and more economically. It is non-toxic, non-corrosive, non-flammable and biodegradable.

This highly concentrated product will suspend the toughest soils and keep them from redepositing, never leaving a film on any surface. An excellent product for use on walls, floors, chairs, desks, plastic, painted surfaces, terrazzo, tile, marble, quarry tile, linoleum, asphalt tile, upholstery, venetian blinds, steel lockers, trucks, aircraft, garbage cans, and most surfaces that are not harmed by water. It is the perfect product for schools, hotels, office buildings, industrial plants, restaurants, bathrooms, showers, etc.

This product, even in the hardest of waters, will penetrate and loosen, emulsify and remove dirt while deodorizing the surface completely.

**DIRECTIONS FOR USE**
