

Ultra Citrus TLC

Premium Carpet Pre-Spray and Traffic Lane Cleaner

WARNING
KEEP OUT OF REACH OF CHILDREN
1 GALLON

A premium citrus carpet prespray for all fibers. A powerful, degreasing preconditioner made from natural citrus solvents for use on all fibers including stain resistant and wool. Environmentally safe with no butyl cellosolve for use on all carpets. Boosted with citrus solvents for extra effective breakdown of grease, soil, and grime in commercial and residential carpets. Cleaning action emulsifies water and oil-based soils in carpet, allowing for quick extraction; saving time and labor. Pleasant citrus scent that homeowners love! For Stain Resistant and Wool Carpets.

Mixing Instructions:

Mix 1 part Citrus TLC with 10 parts hot water (12 oz. per gallon of water). Mix well and apply to carpet. For best results use undiluted with an in-line pressure sprayer and agitate with a pile brush or rake

First Aid:

Because this product is a powerful grease solvent, it will defat skin. Rubber gloves are recommended. Keep container closed when not in use.

INGREDIENTS: Di-Limonene CAS #5989-27-5, Glycol Ether CAS #112-34-5, Alkyl Benzene Sulfonic Acid CAS #27176-87-0, Water CAS #7732-18-5, Nonylphenol Polyethylene Glycol Ether CAS# 127087-87-0
