

"Makes tires look like new"

WHITEWALL TIRE CLEANER

**CAUTION
KEEP OUT OF REACH OF CHILDREN**

WHITEWALL TIRE CLEANER

An excellent product for cleaning and whitening whitewall tires. Not only does it do an excellent job on the whitewalls, but it also cleans the tire as well.

DIRECTIONS

Wet tire first. Simply spray product on the tire. Allow the product to remain on tire for approximately 3-5 minutes. Agitate lightly and simply wash off with water.

INGREDIENTS: WATER CAS #7732-18-5, SODIUM HYDROXIDE CAS #1310-73-2, SODIUM SILICATE CAS #1344-09-8, SODIUM TRIPOLYPHOSPHATE CAS #7758-29-4
